

In Photos: Russia Unveils New Military Tech at ARMY-2021 Expo

August 24, 2021

Russia's annual showcase of its latest military innovations is well under way at Patriot Park, a military-themed park outside Moscow. The seventh annual ARMY-2021 military-technical forum will host exhibitions and demos of an array of new armed vehicles, weapons systems, aircraft and more to a global audience, making it a key event for Russia, the world's second-largest arms exporter. Here's a closer look at some of the new defense equipment on display:
