

In Photos: Moscow Residents Feel Consequences of Ukraine War

March 23, 2022

Russia's "special military operation" in Ukraine has been raging for almost a month. While Russian cities have not faced the devastating shelling that Ukrainian cities have, international sanctions on Moscow have visibly impacted life for ordinary Russians. Whether it's ongoing anti-war protests, food shortages or empty window displays, the city is rapidly changing.

Moscow residents feel the repercussions of Putin's invasion of Ukraine. **Alexander Avilov / Moskva News Agency**
