In Photos: The End of the School Year in Russia and Ukraine

June 27, 2022

As students around the world celebrate their graduation from high school, this year's graduation season looks markedly different in Russia than it does in neighboring Ukraine. While graduates in Russia's two largest cities, Moscow and St. Petersburg, enjoyed lavish celebrations, many graduates in Ukraine have seen their schools destroyed in Russia's four-month invasion of their country. Here's a closer look:
