In Photos: The Task of Demining Liberated Areas of Ukraine Gets Underway

October 24, 2022

As Russian troops withdraw from territories they previously occupied in Ukraine, pro-Kyiv administrators are finding themselves facing the task of demining thousands of hectares of land. Partnering with IT companies, European countries, and the U.S., Ukraine has recently started work demining the Kharkiv region, even launching an app to facilitate public participation in the efforts, which could last decades.
