

Russian Civil Society and Media in an Era of Full Censorship – Ekaterina Martynova

November 28, 2022

The  Moscow Times

Ekaterina Martynova, the editor of the independent student media outlet Doxa, discusses censorship in Russia since the invasion of Ukraine, anti-war sentiment and Russian media in exile.

This lecture at Bologna University is part of a series of lectures organized by The Moscow Times at European universities and given by Russian media professionals.
