

In Photos: The Ukrainian Cultural Sites Destroyed During Russia's Invasion

December 23, 2022

Ukraine's cultural heritage has been systematically targeted throughout Russia's 10-month invasion. At least 227 Ukrainian cultural sites have been verified to be damaged by UNESCO. The list includes 101 religious sites, 79 buildings of historical or artistic interest, 17 museums and 19 monuments. Here's a look at some of Ukraine's cultural sites that have been partially or totally destroyed during Russia's invasion:
