

From Moscow to Chita: Russia's Winter Season in Photos

January 09, 2023

Though Russia's prolonged Christmas and New Year's holidays have come to an end, the winter season across the country is far from over. A January cold wave that arrived in Russia late last week continues to bring record-breaking low temperatures to parts of the Volga and Ural regions, Siberia and the capital Moscow. Here are 12 photos showing life across Russia's regions amid winter frosts and snowstorms:
