

In Photos: 'Barbie' Mania Sweeps Russia Despite Absence from Theaters

July 26, 2023

The global craze around "Barbie" has reached Russia — even though many Russians will be unable to see the movie about the iconic doll. The movie will not be legally shown in Russian theaters due to Western studios leaving the country over the invasion of Ukraine. But that hasn't deterred Barbie fans from dressing up in pink, going to Barbie-themed parties and living out their Barbie dreams:
