Russia's Winter of Discontent, From Mass Heating Failures to 'Nearly Naked' Party Scandal

Russia on the Record

January 19, 2024

A widespread heating crisis and the controversy surrounding the "almost-naked party" have both dominated Russia's news headlines in recent weeks.

In this episode, researcher Andras Toth-Czifra and music critic Artemy Troitsky join us to analyze these events and how they will impact the wider social mood across the country.

Russia on the Record is a podcast where Moscow Times journalists, independent experts and ordinary Russians reflect, analyze and explain what's going on in Russia right now. You can listen to us on the following platforms:
