Since the start of the war in Ukraine, there have been numerous scandals related to the surveillance of Russians abroad by Moscow's intelligence services and alleged Russian spies working in foreign countries.

Investigative journalist Andrei Soldatov joins us to discuss how Russian intelligence services operate abroad and how they put pressure on journalists, activists, and public figures living in exile.

Russia on the Record is a podcast where Moscow Times journalists, independent experts and ordinary Russians reflect, analyze and explain what's going on in Russia right now. You can listen to us on the following platforms:
