Back to the USSR: When Russia Took a Wrong Turn

April 20, 2026

The Moscow Times is proud to present “Back to the USSR: When Russia Took a Wrong Turn,” an exhibition of photos from the newspaper's archive, to mark the fourth anniversary of our move into exile in the Netherlands. This curated collection captures everyday life in Russia during the Yeltsin era and the early years of Putin’s rule — and serves as a reminder that democracy and freedom of expression are fragile and must be protected. More photos are on display and available for purchase at Localie Hub, Rudi van Dantzigstraat 3, 1095 PK Amsterdam, until June 10. Localie Hub is open Monday through Friday, from 11:00 to 20:00. Admission is free.
